December-January 2018-2019

From the Principal's Desk

Happy Holidays Swather Families!

Hesston Elementary students finished the first semester on a positive note. Several holiday traditions continued through the month of December. Santa visited classrooms on December 19. Students and staff got into the holiday spirit by Singing Around the Christmas Tree. Thanks to the H.E.I.P organization for their continued support during many of the holiday events.

Students and Mrs. Funk did a great job presenting the music program, Christmas in Swather Country: Where Stars Come Alive! on November 15. Students' hard work and efforts paid off as the audience enjoyed many country music favorites. A special thank you to all of the staff, parents, and community members who contributed to this memorable event.

Thank you to all of our dads and father figures who have served as Watch Dogs throughout the first semester. Our Watch DOG Wall of Fame continues to grow with photos of children and dads. If you are interested in volunteering please see the school's web page, under HES H.E.I.P. to sign up.

I have a few reminders to help make our school safe for all students. If your child has to cross Amos Street to get to the front of the school, an adult **must** assist them in crossing the street. Also, if you visit the playground after school hours, please be sure the gate is **always closed** when you leave and you take all of your belongings. A trash can has been conveniently placed near the playground for any trash you may have. Student safety is a priority, so please follow these procedures in order to help keep everyone safe and our playground clean.

Please help the drop off/ pick up line move efficiently by not leaving your vehicle unattended. If you need to leave your car, you will need to park in a parking stall. Also, students should be entering and exiting cars in the drop off zone. They should not be walking between cars.

Keep up with us on Twitter. Join us at #HESSwathers to see activities and classroom happenings.

Thank you to all our parents and families for your continued support. It is a privilege to work with your child(ren). If you have questions or concerns, please contact me or your child's teacher. Best wishes this holiday season, may it be filled with peace and joy!

Message from the Counselor

The holiday season is in full swing here at HES! It has been a busy time, and I'm sure everyone is looking forward to some down time at home with family and friends. This time of year can be exciting, but excitement also comes with its share of stress. The change in routine combined with family gatherings and extra holiday treats can be a crazy combination for kids and adults alike. Here are some tips to help make your holiday break more restful and relaxing.

Charlotte Reznick, Ph.D., and author of *The Power of Your Child's Imagination: How to Transform Stress and Anxiety into Joy and Success*, says some signs of holiday stress may include increased irritability and anger, clinginess, more whining, crying and complaining, difficulty with sleep, refusal to participate in activities, or even some regressive behavior such as bedwetting or thumbsucking.

Tips to Reduce Stress:

1. Stick to routines as much as possible. There will be days where the normal routine is impossible, but as much as you can, stick to your normal meal time and bedtime routine.
2. Give a heads up. It's a good idea to let your child know in advance what is happening that day. Simply knowing what is coming can greatly reduce stress.
3. Schedule some downtime. Set aside some time to read, play games or just hang out with no agenda.
4. Let your child vent in a positive way. It can help kids to be able to draw or write about how they are feeling!
5. Work up a sweat. Encourage some good physical activity, especially if you have been traveling all day. Burning off energy can keep grumpiness away.
6. Just say no. You know your child the best. It is ok to leave early from an event or skip it altogether!
7. Take care of yourself. Children will follow your lead about how to react to stressful situations. Make sure you are squeezing in some downtime for yourself, even if it is just a few minutes!

Have a wonderful break and I am looking forward to the second part of the year with your child. If you even have any questions or concerns, please feel free to contact me!

Team I

Mrs. Tammy Gunden Mrs. Danae Kaufman Mrs. Valarie Nickell

It's the Most Wonderful time of the Year, especially in first grade where the students are filled with excitement as we all anticipate the upcoming holiday season. The joy of learning, working together and celebrating together are an essential part of being a first grade student.

January is also an exciting month for 1st graders as we learn about Kansas. Kansas day is January 20th. We will celebrate Kansas at the end of the month. Be looking for notes to come home with your child as we prepare for this celebration. It's a great chance for families to be involved sharing what life was like for pioneers in Kansas. It's also a great time for parents to showcase their interests and talents. Some ideas include bread making, farming, one-room schoolhouse, making butter, making molasses cookies, and washing clothes on a washboard. Keep this in mind as you visit with family members during the Christmas season.

Here's an idea for some Christmas stocking stuffers.....Dry Erase markers, watercolor markers, crayons, glue sticks, pencils, and highlighters. Ask your child what he/she needs. Have a blessed holiday!

Library

FALL SCHOLASTIC BOOK FAIR A GREAT SUCCESS At HES Library!

We had a VERY successful Book Fair this fall! The Fall Book Fair took place during the week of Parent-Teacher Conferences. We were able to purchase new books from the Book Fair and additional materials to be order at a later date from the Scholastic Resource Catalog. To everyone who came to our Book Fair, and to all who helped make it a great experience, a big THANK YOU!

Mrs. Unruh & Mrs. Peachey-Stoner
would like to wish everyone a very Merry Christmas
and a healthy, happy New Year from the HES Library!

Remember to take some time out during the busy holiday season to cozy up
with your child and enjoy a good book together over the winter break!

Hesston Elementary Parents = H.El.P.

Hesston Elementary Parents = H.El.P

A big THANK YOU to all the staff, community members, parents and kids who collaborated to help make the Winter Concert a huge success! Countless people put numerous hours of work into this concert to help make it a memorable and enjoyable performance for the students, but also a joy to watch for the audience. Another awesome Music Concert is in the books, Mrs. Funk. Bravo!

As we get ready to head into winter break make sure you are still collecting Box Tops for Education as these equal free money/products for our school! An easy way to save them is to have a sandwich baggie on the side of the fridge, and when its collection time...voila! You're good to go!

Looking ahead to January & February we have many fun events coming up, including a yearly favorite....Family Movie Night! This event is scheduled for Friday, Jan. 25th at 6:30 p.m. so make sure to get that on the calendar now! Donuts with Mom will be on Thursday, Feb. 7th while the Valentine's Parties will be in the afternoon on Wednesday, February 14th. Trash bag sales will also happen in February so be on the lookout for more information on that and all the many other exciting events coming up!

As we look forward to the spring, we anticipate our next fundraiser, the trash-bag event! Sales will be February 1-14 with trash bag pickup on March 7. Stay tuned for more details to come! The next H.El.P. meeting will be on January 14th at 5pm. All HES parents are invited and encouraged to attend as we work on events for the spring semester! Also, please make sure and 'Like' the Hesston Elementary Parents Facebook page. This is one of the best ways to keep up to date with what the H.El.P. group is up to!

If you ever have a question or concern, please contact us at hes460parents@gmail.com.

Thank you for your support! By helping out, you make H.E.S. a fun learning environment for our children! Have a great winter break, looking forward to another exciting semester!
